

Winter is here and temperatures are dropping. Check out how the latest offerings from Liberty's NHSaves Business Program can keep your buildings cozy and your electric bill cool with savings year-round!

Heat Pumps:

For a limited time, businesses can receive up to \$1,000/ton when you install qualifying heat pumps in your business.

[Learn more about heat pump rebates](#)

Lighting:

Also for a limited time, businesses can receive up to 90% off the cost of their lighting materials—up to as much as \$10,000—when upgrading to DLC-qualified LED fixtures and TLEDs.

0% Interest, On-Bill Financing

Did you know that Liberty offers 0% interest, on-bill financing to help customers pay for qualifying energy-efficient projects (after incentives)? This is an excellent way for your customers to move ahead with projects with zero to minimal upfront costs. If you are interested in learning more about how on-bill financing works and how to use it as a sales tool, contact us today.

Call 603-637-4346 or email NHSaves@Franklinenergy.com

High heating costs? We can help!

Learn about a free weatherization walk-through of your commercial, industrial, or municipal facility and incentives for insulation and air sealing improvements. Liberty offers incentives on total project costs. Lower your heating costs this winter.

Claim Incentives on Projects You or Your Customers Have Already Completed

If you or your customers have invested in energy-saving improvements since November of 2023, the projects may be eligible for incentives. Don't leave money on the table. Apply today!

1. **Review Your Upgrades:** Check if your recent upgrades qualify by contacting the Liberty NHSaves® Franklin Energy Team at 603-637-4346 or NHSaves@franklinenergy.com.
2. **Submit Your Application:** We'll complete the application for you and work directly with Liberty to obtain your rebate.
3. **Receive Your Rebate:** Put money back in your pocket!

Save the date: NHSaves Business Partners virtual event January 29, 2025.

Wishing you a Happy New Year!
