0% Interest, On-Bill Financing

Did you know that Liberty offers 0% interest, on-bill financing to help customers pay for qualifying energy-efficient projects (after incentives)? This is an excellent way for your customers to move ahead with projects with zero to minimal upfront costs. If you are interested in learning more about how on-bill financing works and how to use it as a sales tool, please contact us today.

Up to 65% off Weatherization Upgrades

Weatherization upgrades, such as air sealing and building envelope insulation, can help your small business customers:

- Lower their energy costs year-round.
- Increase comfort for their employees and customers.
- Keep indoor temperatures cooler in the summer and warmer in the winter.

Your small business customers can receive a free energy assessment to evaluate building areas that may benefit from improved insulation and air sealing. We offer weatherization incentives of up to 65% of qualifying improvements.
