Ready to Pump Up Your Savings?

Get Increased Incentives on Heat Pump Projects

For a limited time, your business can receive increased incentives when you install qualifying heat pumps in your business.

Promotion Details

The sooner you take advantage, the more you can receive! The following equipment is eligible for an incentive of \$750/ton if the application is received by July 31, 2026 with installation by November 30, 2026. After this date, incentives return to \$250/ton.

HVAC EQUIPMENT ELIGIBILITY & INCENTIVES

Equipment Code	Air Source Heat Pump Equipment Types	Equipment Capacity	IEER	COP @ 47 °F	COP @ 17 °F	\$/ton
ASHP	Air Source Heat Pump	< 5.4 Tons	Refer to NHSaves.com/HPQPL			\$750*
		≥ 5.4 Tons and < 11.3 Tons	15.4	3.5	2.25	
		≥ 11.3 Tons and < 20 Tons	14.6	3.4	2.05	
		≥ 20 Tons	13.0	3.3	2.05	

*Additional terms apply. See application for restrictions and requirements. Cannot be combined with other NHSaves offers. Incentives capped at \$10,000 per project unless approved by the program administrator.

How to Apply

1. Complete application.
2. Obtain itemized quote (including quantity, model numbers and installed cost).
3. Submit all documentation to NHSaves@franklinenergy.com.

Need Financing Assistance?

Through Liberty's 0% on-bill financing, eligible customers can get started on a qualifying project with no money down.**

Finding Qualifying Heat Pumps

Not all heat pumps qualify for rebates. For required equipment specifications or to see if a specific heat pump is eligible, visit [nhsaves.com/heat-pump-qualified-product-list](https://www.nhsaves.com/heat-pump-qualified-product-list) and download the list of eligible air source heat pumps. Scan the QR code to download the list of eligible air source heat pumps.

** Qualifications and terms apply. This program is funded by Liberty customers and is operated according to state laws and under the regulations of the NH Department of Public Utilities. On-bill financing participants must not have received a disconnect notice in the past 12 months. Some restrictions apply. Program is subject to the availability of funds and may be canceled without notice. Incentives will be pre-approved within program budget caps and restrictions.
